

## Greetings!

We give many thanks for your search and drop by our homepage of **Gilwoo Trading Co.**

We started our business September 1984, for sales and distributing various measurement instruments throughout Korea as follows;

1. **Temperature Measurement Instruments** of contact and non-contact thermometers including fixed and portable Infrared Thermometers, data logger, and multi-channel temperature monitor, supplied mostly thru OEM or exclusivity.
2. **Humidity and Dew-point Measurement Instruments**, including STORK products exclusively
3. **Ultrasound Flow & Level Instruments** of Greyline products exclusively
  
4. **Industrial Measurement Instruments**, including Monitor and Controller of Yuden EYC exclusively
5. **Scale Instruments** of Cardinal Detecto exclusively
6. **Remote Sensing Instruments**, including Sensaphone and RLE products exclusively
7. **Agricultural product & Livestock Instruments**, including AgWorld-Renco and Rimik products exclusively
8. **Electronic Measuring Meters**, including Applent products exclusively
9. **Gas Measurement Instruments**, including Southland, AE, and Evikon products exclusively

We have **3 goals, GOOD QUALITY, GOOD PRICE, and GOOD AFTER SERVICE** to the end-users to be the best instrument seller. We hope you may be one of best suppliers with your best products for mutual benefits and best user of our excellent goods. As you trade with Gilwoo, your products rebirth the best item in Korea as far as Gilwoo cooperates; and as you use goods from Gilwoo, you may be proud of Giltronian due to our best products.

Thank you for your concerns,

And be healthy,

President Young Kil Lee and company family members
